**ORDER AMENDING DISCOVERY PLAN AND  
CASE MANAGEMENT SCHEDULE**

This matter comes before the Court on the parties' Joint Motion to Amend the Discovery Plan and Case Management Schedule. (*See* Doc. \_\_ ("Joint Motion").) In their Joint Motion, the parties move for an order (1) extending the current deadline for completion of rebuttal expert reports by an additional 50 days, and (2) extending the current deadline for completion of expert discovery by an additional 38 days after exchange of rebuttal expert reports. In the Joint Motion, Defendants contend that there is a compelling need for the enlargement of time sought by the motion, and Plaintiff does not oppose the requested enlargement.

ACCORDINGLY, for good cause shown and because there is a compelling need for the Discovery Plan modifications requested in the parties' Joint Motion:

The Joint Motion is GRANTED; and it is further

and it is further

ORDERED that to the extent any provision of the Discovery Plan is not inconsistent with this order, it shall remain in full force and effect and shall govern the remainder of discovery in this case.

It is so ordered this 10th day of September 2021.
